Your Payment Options

Settling your adviser charge through a single payment

- Whether you buy a product or not you will be required to pay us an adviser charge for our advice and services, this will become payable on completion of our work. You may decide to settle your adviser charge by way of a single payment either by cheque, debit card, credit card or bank transfer. Where you have purchased a product you may also have the option of paying our adviser charge by a single deduction from the product.

Settling your adviser charge by instalments

- In the case of regular premium products, you may have the option of paying our adviser charge over an agreed period of time but within 12 months of our advice. We will agree with you the amount and timescale of payment that is best for you. The instalments only cover the adviser charge and will not cover the cost of any ongoing service, which will be agreed with you separately.
 - Paying by instalments through your recommended product***
Some regular premium product providers will accept your specific instruction to pay our adviser charge from the product you have purchased. They will require you to instruct them of the amount to be paid for each instalment and the number of instalments to be made.

While this option means that you will not pay us upfront, it does not mean that you are not paying us. Our adviser charge will be paid indirectly through the product deductions. These deductions could reduce the amount left for investment.
 - Paying by other arrangements***
We can facilitate payment by instalments through a direct debit or standing order agreement.

Keeping up with your payments

- It is important that where you have decided to pay your adviser charge by way of instalments, you keep up with your payments. Where you do not keep up with your payments, the total outstanding amount will become immediately payable on demand.

The Crystal Lifestyle service charge can be paid by way of a deduction from your investments or by direct payment from you under a bank transfer, direct debit or standing order as an annual or monthly payment schedule.
